Dear Gordon:

The Mined Land Reclamation Agreement (MR Form 7(a) and Escrow Agreement (MR Form 7(b) which you asked for modifications to, by telephone during July have been changed per your suggestions. The Board has not yet signed off on these for two reasons, 1. The schedule was not attached showing the amounts to be in the fund on a year-by-year basis, and 2. The reference to "Paragraph A-1" under part six of form MR 7(a) is unclear; I believe you might have meant paragraph B-1. (I made these changes)

Please review the enclosed revised forms making any necessary changes in red, and return to this office. If the forms are to your liking, please return with the necessary signatures. We will attempt to gain Board concurrence during the October meeting.

Let me know by phone if there are any significant problems with the forms.

Sincerely,

Ronald W. Daniels
